

ADVANCED SWAT TACTICAL DISPATCHER COURSE

**March 21 - 23, 2022 - Huntington Beach, California
24 Hours**

Presented by [California Association of Tactical Trainers](#)

Description

This 24 hour course is structured to provide Public Safety Dispatchers who have successfully completed the basic 40 hour SWAT Tactical Dispatcher course with advanced operational skills to function in support of critical Incident Commanders. Topics include review of contemporary procedures, command post operations, information processing with updated procedures, overview of courses of action-use of force procedures, incident debriefs, and procedures for information verification and mapping procedures.

Focus will be on the role, duties and responsibilities of the Public Safety Dispatch Team operating in the department's field command post or the communications center. Training will be conducted using critical incident reviews, video tapes, mock command post problems and debrief of operational procedures used by participants in actual operations at their respective agencies. Trial presentation procedures will be addressed.
